OFFICE OF PETITIONS

Dear Sir:

The Applicants hereby request withdrawal of the abandonment of this application, or, in the alternative, petition under 37 C.F.R. § 1.137(b) to revive the instant application, which became abandoned for failure to respond to the Final Rejection mailed June 27, 2002.

The Applicants respectfully submit that a proper and timely response to the Office Action was filed, as part of a Request for Continued Examination, with all of the required fees (authorization to charge a deposit account was granted). The RCE was faxed to the US Patent and Trademark Office on September 27, 2002.

Photocopies of the following documents are attached hereto as Exhibit A:

1. Request for Continued Examination dated September 27, 2002 (19 sheets)

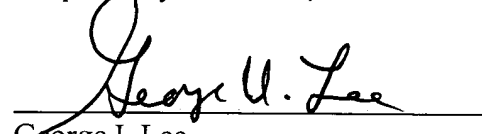

2. Auto-Reply Facsimile Transmission from the USPTO dated September 27, 2002 (1 sheet)

The Applicants respectfully submit that a proper reply to the Final Rejection was timely filed. Accordingly, it is requested that this application be revived without petition or fee.

If, however, the Patent Office determines that a petition to revive is necessary, then the applicants hereby petition under 37 C.F.R. § 1.137(b) for revival of this application. Pursuant to 37 C.F.R. § 1.113, the required reply to the Final Rejection is included in Exhibit A hereto. Pursuant to 37 C.F.R. § 1.137(b)(2), the Patent Office is authorized to charge Deposit Account No. 13-2490 the entire petition fee as set forth in 37 C.F.R. § 1.17(m). Pursuant to 37 C.F.R. § 1.137(b)(3), the undersigned hereby states that the entire delay in filing the required reply until the filing of a grantable petition was unintentional.

If there are any questions or comments regarding this paper or application, the Patent Office is encouraged to contact the undersigned attorney as indicated below.

Respectfully submitted,

  
George I. Lee
